The President's Message

By: Mary Ellen Koser

It's that time of year again; no not taxes, searching for club members that have a cultural and community passion to run for any of the open board positions. In January our By Laws state that we must pick a three person nominating committee slate that will be voted on at the February general meeting. OK, we can do that. Then comes the hard part finding members willing to devote various amounts of time to guiding the Art Club into the future.

The following positions will open up in May 2013:
Vice President
Secretary
Treasurer
3 Directors at Large

Here are some things to think about as you consider taking on a board seat:

* Do you feel the Art Club adequately meets our Mission Statement goals?
* Does the Club meet the needs of its members?
* How can we wisely direct future decisions to enhance the long term growth of the Vero Beach Art Club?
* What changes do you feel we need to make to insure our well being for 5 - 10 years down the road?

Each of you already have career or life experiences that could be an asset to the Board of Directors so please consider serving in one of these leadership roles. Be part of the solution to any issues that we will face. Be a part of keeping the Vero Beach Art Club thriving for 76 more years!

The Club office now has the ability to take credit cards but (the big "but") we have to charge an extra 3% to cover the Square.com service charge. It would save the office time and your money if you would still send in checks for any membership/renewal or events payments. Just wanted all members to be aware and help the office out.

Focus Group is an ongoing venue to give Club Members a time and place to discuss issues that affect the long-term well being of the Art Club. A specific date to meet will be set after 4-10 members contact Mary Ellen. Email: koserme@gmail.com
