Rules & General Information

Your web page should be accessible within one week after payment is received at the VBAC office, at which time you will receive a login ID number and temporary password via e-mail or telephone. The mission of the VBAC Artists Gallery is to provide an on-line presence for VBAC members, enabling them to exhibit their work through the Internet. Sales generated from the VBAC Artists Gallery must be handled personally between the buyer and the seller. VBAC takes no commission on sales from the Gallery.

Gallery pages may not be transferred to another member.
 Art that could be considered offensive is not permitted. The Club reserves the right to require removal of any art it considers offensive. Failure to remove offensive material upon request will result in expulsion from the gallery.

Gallery pages are leased to members in good standing—all dues and fees must be kept current, and Gallery exhibitors must maintain membership in the Vero Beach Art Club.
