PRESIDENT'S MESSAGE

Greetings to all members..

I am in the midst of a 3000 mile automobile journey from Vero Beach to Pittsburgh, PA on to Bar harbor Maine, to Boson, MA, to Shelton, CT and finally to Philadelphia where we plan to fly home in a few days.

In Bar Harbor, George and I built a deer resistant fence for our daughter's vegetable garden (good luck?). In Boston and Shelton we visited the grand kids. They can exhaust us within hours.

We had a birthday party in Pittsburgh for my mom's **100th** birthday where all her younger sisters are living and she said it was "the best day in her life." We are planning a second party in Philadelphia for all her local friends and the New England relatives. She is coming home from Pittsburgh to a brand new kitchen, granite counter tops , new cabinets, and hardwood floors. Life is good.

See you all on our first general meeting in the Museum October 7th!!

Ciao!

WORKSHOPS

CHARLES GRUPPE - Always a favorite for our oil and acrylic painters. His impressionist style is always " In Style" and his easygoing manner will keep you inspired! Date: Oct 20, 21, 22. Cost $220 members $245 nonmembers. There are still openings available

LIAN ZHEN - Author of three books on watercolor is coming to see us again! We love his pouring and splashing and literally "hands on " approach to watercolor! He is great to work with and keeps us smiling while we "create". DATE: Feb 17, 18, 19, 2011. COST $ 210 members and $235 for nonmembers.

JANET ROGERS - Watercolorist. Yes, the winner of Best In Show at our last UTO is coming! She will teach us her method of painting lush flowers and people in the loose flowing style we all love. We will use a myriad of fresh flowers for inspiration. For those interested in portraits, she will teach that also. DATE; April 4, 5, 6, 7. four day workshop. COST $290 for members and $315 for non-members. Check out these artists online if you like. Realize you aren't trying to paint exactly like them but rather, incorporate some of their techniques into your own style. Many people find they do their best work at or after a workshop. Lastly, a workshop is just plain FUN so do come and "play" with us at a workshop!

For more information about these workshops call Joan Delozier at 772-465-8535 or email her at Joansurfside@aol.com.
